

50% *Student discount for educational products*

Status: School Pupil College Student University Student

Dear Student,

Thanks for picking up the Steinberg Student Discount Application Form. If you are a full time student attending any music, music production or engineering/production course you are entitled to receive a 50 % discount on any Steinberg software product. Please complete this form and do one of the following...

- a) Locate the address of your local Steinberg Distributor at the following link www.steinberg.de/Steinberg/Shop/Dealer/default-bezug-2.html and post the form to that address marked for the attention of the Steinberg Sales Manager.
- b) Hand in the form at your preferred Steinberg Dealer/Store location. You will then be contacted directly by either your Steinberg Distributor or by the dealer who will provide you with an estimated date for supply and the detailed purchase prices.

Please make sure that your school or college has provided the necessary proof of status by providing a signature of a member of staff and an official school or college stamp. And of course please make sure you have your payment details ready. Thank you.

Should you have any questions please contact your local Steinberg Distributor.
